Lumber Delivery Request

- 1 Only garden groups with up to date registration and not in violation are eligible.
- 2 A site inspection by a GreenThumb Outreach Coordinator must be made before materials are delivered. GreenThumb field staff will make final determinations about deliveries.
- 3 Please note that there must be at least two garden members to meet the delivery.

Lumber Deliveries will be scheduled in May.

Garden Name _____ Borough/CB _____

Garden Address _____

Cross Streets _____ Block/Lot Number _____

Did your garden receive lumber last year? Yes No

How many pieces did you receive?

Are you: making new beds or replacing existing ones (circle one)

How many raised beds are you making or replacing?

Where will these beds be located?

(Please be specific to expedite delivery: ex. 4 new beds between gate and weeping willow.)

Would you be interested in picking your lumber up at the GreenThumb compound?

Yes No

Do you have access to a van or truck to move the lumber? Yes No

Who (at least 2 garden members) will be on-site to receive the lumber delivery?
